Want to know more about your child’s MATH skills?

Seeking students in 3\textsuperscript{rd} or 4\textsuperscript{th} grade.

Your child will...

• Visit the lab at Vanderbilt twice.

• Do math while we take pictures of their brain with an MRI scanner.

• Take standardized reading and math tests.

Compensation: Receive a \textbf{total of $100} in gift cards after both visits. Plus, get a \textbf{picture of your child’s brain}!!
