Going to the Country Music Hall of Fame and Museum

Country Music Hall of Fame and Museum
I am going to visit the Country Music Hall of Fame and Museum.
When I get there, I will enter the museum lobby. My family and I can go to the information desk to ask questions.
After we get our tickets, we will to take the elevator to the 3rd floor to start our tour. There might be other people in the elevator. The elevator ride will be over quickly.
When I get to the 3rd floor, there might be music playing. It is okay. It is playing to teach everyone about country music.
There are many ways to learn about country music at the museum. I can watch a video on one of the big screens. I can look at the display cases, but I will try not to touch them.
There are two big cars on the 3rd floor. I will have to walk between the cars to get to the stairs to go to the 2nd floor.
After I pass the big cars and see everything we want to see on the 3rd floor, I will go down the stairs to the 2nd floor to see more.
When I’m on the 2\textsuperscript{nd} floor, I might see more display cases.
When I am finished looking around the museum, I can go to the Hall of Fame Rotunda. There are names and faces of famous country music musicians.
While I’m at the museum, it may become loud with people talking or music. If it gets too loud, I can ask my family or group to go to a quiet space.
I may need to go to the bathroom during my visit. If I need to go to the bathroom, I can ask my family or group to take me.
If I am respectful of the museum and other visitors, my family or group will be so proud of me. I might like visiting the Country Music Hall of Fame and Museum!
