I am going to Cheekwood to see a puppet show! A puppet show is a performance that uses dolls and other objects to tell a story.

There is a festival at Cheekwood this weekend and there may be a lot of people walking around. At the visitor center we will get a paper wristband to wear on my wrist and a map of Cheekwood. The map will show us how to get to the puppet show on the brick patio of the Frist Learning Center. The wristband will let other people know I paid to be here. It might feel a little scratchy or tight on my wrist.

During the puppet show, I will see puppets pretending to be: a person, the bright sun, a powerful cloud, and a strong mountain. I will try to watch quietly during the puppet show and be respectful to the other people watching the show.

If the show is too loud or I don’t like the puppets, I can tell my family and we can go to a quiet space inside the Learning Center. If I need to use the bathroom, I can ask my mom or dad and we can go inside to the bathroom on the left. If I would like some water or a snack, I can ask my mom or dad to go downstairs in the learning center to the water fountain and snack machine.

After the puppet show, my family and I may choose to walk around Cheekwood and explore the different parts of the festival or we may choose to go home when the puppet show ends. When we are ready to leave Cheekwood and go home, we can use our maps to lead us back to the parking lot to our car!
