## Implementation Materials

The Fraction Face-Off Programs includes several items that require some preparation prior to implementing the Program with small groups. Purchasers of the Fraction Face-Off! Program have the option of preparing the materials themselves using the templates included with the manual to make copies, or purchasing the “Implementation Ready Pack” (IR Pack) which has the supplemental materials prepared and ready for immediate use. The “Implementation Ready Pack” is \$35.00 and comes in a poly canvas tote bag to store the Program materials. The table below lists the supplemental materials that are part of the Fraction Face-Off! Program and explains what level of teacher preparation is required for each item.
