Volunteer for Research at Vanderbilt University
The Multisensory Research Lab

Who:
Typically developing teens and young adults between 10 and 21 years old with normal hearing and normal or corrected-to-normal vision

What you will do:
• Attend 1-4 appointments to complete 4-10 hours of assessments (vocabulary, problem solving, language and computer games)
• You may also be invited to have an fMRI

Participants will receive $20/hr as compensation for their time

Contact:
Elizabeth.Gardner@vumc.org
(615) 343-1725

Help us better understand sensory processing differences
